

MISSION STATEMENT

We are a Christian Co-educational Secondary School. In keeping with the Jesus and Mary Ethos, we are committed to the holistic development of each individual in our community by:

- ❖ Empowering each person to grow in justice, honesty, respect and loyalty to self, family, school and community.
- ❖ Helping all students to achieve full potential at their studies.
- ❖ Promoting an appreciation of Heritage, Culture and the Environment.
- ❖ Providing an atmosphere where religious belief, a sense of responsibility, self- confidence, self-esteem and self-identity are developed.
- ❖ Encouraging participation in all facets of school life - spiritual, academic, sporting, social and cultural

To achieve these ideals we recognise the need for a **SAFE ENVIRONMENT** as expressed in our safety statement.
